# THE 15TH ANNUAL GATHERING OF THE JUGGALOS CELEBRATING 15 YEARS OF FAMILY FLAVA

Where are we?

In the darkness we wait with eyes closed.

There is a sound emanating as if from a distant memory. It drifts upon the ether of our minds like a phantom whisper. It is the quiet roar of a crowd whose voices rise in muted unison. Can you hear it? It is there on the fringe of our reality slipping in and out of existence. It is the sound that fills our hearts with a longing to once more touch upon the innocence of euphoric child-like glee. Then just as it threatens to fade from all sensation...there it is again, ever louder, a sound like closing thunder from an approaching storm across distant plains. Soft vibrations now course through the air as intense energy streams into our being from the roots of the Earth and the essence of the sky as the sound of cheering masses can now clearly be heard.

Our eyes open as a cascade of bass driven sensation washes over us. At first there is a bright light that burns, but that quickly fades as we begin to see the jumping gyrating crowd as they move to the now raging storm's rhythmic beat. Brightly lit carnival rides spin in the distance like giant magical gyroscopes. Juggalos are all around laughing and smiling as their faces are fixed in wonderment. Missiles rocket into the night's sky to explode in cascading multicolored ribbons of sparkling liquid fire. We begin to swoon because the joy is almost too much to bear. It is like a dream from which we never wish to wake as we pray for it to remain real and to solidify...it is then that we realize what it is that we see! The vision is none other than the epic spiritual musical festival which goes by the well-earned moniker of ... Shangri-La on Earth!

Juggalos one and all, without further ado, we give to you an event the likes of which the world has never seen nor will ever see again outside of its confines. We give to you a festival in an all new location with new events, new artists, and new flavor to behold. We give to you a place where Juggalos can gather without having to deal with the staleness of the outside world in what has become known as the greatest family reunion on Earth. We give to you an escape where for four days it will become in every real sense Shangri-La on Earth! Juggalos, we give to you your very own....Gathering of the Juggalos!

# GENERAL INFO

The moment you have been waiting for has finally arrived! Welcome one and all, young and slightly crusty, ninja and ninjette to the spectacle of all spectacles ... it's the annual Gathering of the Juggalos, as we join together to celebrate 15 years of family flava! Below you will find all the core information that you will need to know.

## GOTJ Wristband

The GOTJ wristband that you received when you presented your GOTJ ticket at the front gate is not to be removed at any time and is your official pass into and out of Legend Valley (you may come and go as you please). It is good for the entire duration of the GOTJ starting Wednesday, July 23rd (at 7 a.m.) until Sunday, July 27th (at 6 p.m.). Anyone found inside the park without a GOTJ wristband will be immediately escorted off the property. If you should lose your GOTJ wristband, you should report it immediately to the Information Tent. This wristband grants you access to all the concerts, wrestling events, comedian shows, parties, sideshows, competitions, carnival rides, autograph signings and much more at no additional expense.

## Vehicle Passes

No vehicles are allowed inside Legend Valley (except for in the parking lot) unless they have the appropriate sticker pass placed on the driver side windshield (Car, RV/Trailer or Big Balla Campsite). These may be obtained by presenting the appropriate ticket (Car, RV/Trailer or Big Balla Campsite) you purchased online once you arrive or by purchasing one directly at the front gate. These sticker passes allow you to park your vehicle at your campsite and once there, it must remain until the Gathering ends. This will be strongly enforced to ensure the safety of all our ninjas.

Car Passes apply to vehicles ranging in size from motorcycles to full-size vans that are not towing trailers. RV/Trailer Passes apply to any vehicle bigger than a full sized van (no 18 wheelers) or any vehicle towing a trailer. Big Balla Campsite passes apply to any vehicle RV size or smaller along with whatever they are towing. All vehicle passes are good for the entire duration of the GOTJ starting Wednesday July 23rd (at 7 a.m.) until Sunday July 27th (at 3 p.m.).

## Big Balla Campsite (20 & 30 amp) and Big Balla Campsite (50 amp)

Each of these sites are roughly 25' x 50'. Any additional vehicles (besides the one with your Big Balla Campsite pass) parked on your site will require their own Car or RV/Trailer pass and must fit in your designated area. Keep in mind that you may also put multiple tents on your site as long as they also fit in your designated area. Big Balla Campsites are not numbered and will be on a first come/first serve basis. These sites are good for the entire duration of the GOTJ starting Wednesday July 23rd (at 7 a.m.) until Sunday July 27th (at 6 p.m.).

## Parking

There is a 15 acre field located near the front entrance (off Jacksontown Road) to Legend Valley where you may park your vehicle for free. There are also accessible parking spaces available for ninjas with a disability license plate or parking placard that are closer to the attractions.

## Camping

Once you enter Legend Valley with your GOTJ wristband you are free to camp in any of the designated camping areas on a first come/first serve basis. These locations are marked on the GOTJ map located on the back cover of this program. Keep in mind that the Gathering staff reserves the right to move any tent, vehicle or campfire to handle disputes or if they are located on a road, fire lane or an unofficial camping area. There are some key rules that everyone must follow when camping:

- All tents and vehicles must be 15 feet from any other tent, vehicle, or campfire in all directions.
- Do not camp in-between any row of metal poles as these mark fire lanes that must remain open.
- Make sure to safely contain, maintain, and extinguish all campfires.
- All vehicles at a campsite must have the appropriate vehicle sticker pass placed on the driver's side front windshield at all times.
- Please be respectful of your adjacent neighbors, especially when it comes to excessive noise at night.

## Tear Down

After the four full days of flavor are done it will be time to head out. Sunday (27 Jul 2014) is the official tear down day when everyone will be expected to be cleared out of Legend Valley and the parking lot by 6 p.m.

## Good Advice

The following are some good tips on how to stay prepared as you venture forth into the GOTJ experience.

- Bring plenty of food to last you the entire time.
- Drink plenty of water to stay hydrated.
- Wear hats and light colored clothing while staying in the shade to keep cool.
- Sunscreen is always a good idea even on an overcast day.
- When camping make sure to bring the right supplies (tent, sleeping bag, rain gear, flashlight, bug spray, toiletries, towels, folding chairs etc.)
- Bring a cell phone or some way to communicate.
- Avoid any kind of substance abuse...know your limits.

## Rules

The following is a list of key rules to keep everyone safe and to ensure a good time for all. We ask that everyone respect the property of Legend Valley. ## Info Tent

This helpful tent is staffed 24 hours a day by Psychopathic representatives in order to assist anyone with any questions, concerns or problems they might have. The people working here are connected via radio to all the event coordinators and have the power to either help you directly or get in contact with those who can. The Info Tent also provides the following other services.

- Information (including event times) and problem solving capabilities.
- Maps of the Gathering grounds.
- Lost and Found – Please drop off any found items here.
- Display of the main prizes you can win at the various contests.
- Display of the auction items.
- A promotional area to leave flyers and CDs.

## Merchandise Bazaar

This area features a kaleidoscope of dope, rare, offensive and Gathering exclusive merchandise from Psychopathic Records and its entire roster of artists. This is also the place to seek out merchandise from all other artists performing on the Big Top or Carousel Stage as well as a variety of other vendors (see page 31). You may also buy additional programs here.

## ATMs

There are several ATMs located on the grounds for quick leafy green access. Users are responsible for all transactions as there will be no refunds.

## Convenience Store

This 24-hour store will strive to meet all your basic needs by supplying an abundance of useful items. You will find everything from condoms, to disposable cameras, to over-the-counter medications and much more.

## Food Court

When you smell the aroma of sordid meats drifting on the breeze you will have either found your way into a male brothel house or over at the food court. Here a brightly lit caravan of food trailers act as a beacon in the night drawing in all hungry ninjas as they partake in such delicacies as triple nut bust surprise, Abdullah fat rolls, cinnamon flavored camel toes, dingleberry crunch cake, or glistening buttered anal buns to name a few. They also have Faygo on tap to wash it all down and are open 24/7.

## Bottle Fill Station

There is a bottle fill station (located on the map) where you may get fresh drinking water to fill your containers.

## Shower Trailers

These free 24-hour portable shower trailers will help keep you squeaky clean. So when you start to develop some butt juice, causing you to smell like cottage cheese marinating in a used baby diaper in the sun, you might want to think about it. Ninjas are also discouraged from trying to join the Three Foot High Club, as it could cause undo motion sickness for others.

## Medical Tent

The Medical Tent will be staffed by trained paramedics 24-hours a day to handle all medical needs. There will also be an ambulance on hand to transport anyone with a serious medical emergency quickly and efficiently to a nearby hospital.

## Security Tent

Anyone who needs to get a hold of security for any reason can either go to the Security Tent (located by the Seminar Stage) or the Information Tent. Security personnel will also be located all throughout the Gathering grounds as well to help you if needed. Their purpose is not to restrict people's fun but rather to ensure everyone is acting in a safe and non-destructive manner.

Their Strange Music banner perforated in the body of a fallen foe flutters in the wind, causing the only sound to be heard besides that of burning bodies and the soft cries of those still clinging to life. His necromantic pow-ers have been infused with horrorcore rap to create music that can both fill the spirit with inspired life and cause the mind to slip into complete madness. Time seems to slow when this incredible Strange Music artist first takes to the stage as those in the crowd look on in eager anticipation. The clock ticks a second as the realization of what is about to happen begins to infuse the mind with energy. The clock ticks as his hand clenches the mic, causing adrenalin to flow through the body pumped by a rapidly racing heart. The clock ticks and then stops as time seems to freeze, causing the second hand to quiver in place...then there is an explosion of extreme chaos as time collapses in on itself with the witness of one of the most high energy, crowd jumping, shows on the planet, causing all to be lost in a euphoric, timeless, musical bliss.

1:30 AM

# THURSDAY NIGHT CAROUSEL STAGE

## Twisted Insane

Not much is known about the background of this gifted rapper but the name seems to say it all. He has one of the sickest chopper flows on the planet that simply has to be heard to be believed. It's rumored that he might even be an android (but that's purely speculation) because it doesn't seem humanly possible to attain the delivery that he does. He has gained a lot of momentum since he first hit the scene and speed seems to be his main focus, whether it's on the mic or schoolin' it in the rap game.

12:30 AM

## Jelly Roll

The very name has resonated deep within the Juggalo world since its inception and now they are here along with DJ Eclipse to rock the stage as only they can! So give it up for the first time ever at the Gathering...La Coka Nostra!

2:30 AM

# CAROUSEL STAGE FRI DAY NIGHT

12:30 AM

## Razakel & SickTanick

Controversial, unforgiving and dark as all can be, come two of the most hardcore horrorcore rappers to ever grace a mic. Beyond talented they possess the ability to both captivate and horrify at the same time (like watching a burning cow). They take music to a level seldom seen before and seemingly cross all lines in the process. Come join them, if you dare, as they plummet to the deepest bowels of the nethervoid as they take you on a wonderfully horrific journey to where no soul should ever roam.

1:30 AM

## Bone Crusher with Special Guest D Money Blockboy and Michael Lee Warren

This Atlanta based rapper is never scared when it comes to producing great music... indeed, he is fearless. Worth his weight in gold, his music has been heard in all corners of the world earning him a place amongst the legends. Joining him onstage are two underground artists who are making serious noise on the Juggalo scene with the release of such videos as D Money's "Loud" and Michael Lee Warren's "In My City" You have heard them, you have seen their videos and now see them live! This is one performance that is sure to cause waves of flavor to emanate off the stage to deep within the Gathering grounds.

2:30 AM

## Underground Avengers

Screaming can be heard from all around, instilling panic as the chaos unfurls in the downtown city street. You turn to see the gargantuan green form of Bukshot at the end of the block as he slams his fists downward creating a deep crevice in the pavement as the shockwave knocks you off your feet. You scramble to run as laser beams emanating from Boondox high in the sky sweep across your path, causing the street and nearby buildings to explode in a rain of molten death. You manage to dive behind a car just in time when it's suddenly lifted by the incredible strength of Claas, who tosses it aside as if it were a plastic toy as he looks down at you maniacally. They are the super group known as the Underground Avengers and they have not come to save you...because they are the villains that should be feared!

3:30 AM

## Wayne Static of Static X

This ninja extraordinaire and former front man and namesake of the ultimate band known as Static-X has begun forging a new path of rock excellence. What Bruce Lee was to martial arts, Wayne Static is to rock music and he is hitting just as hard. His legacy has not only been full of controversy but its share of turbulence as well. Through it all, however, he has grown stronger for it, as he continues to bring that same flavor you have come to know and love since the start of his career. He is what every rock hero should be - foolhardy, extreme, explosive, and uber-talented. Prepare for his show, which is sure to wreak a path of destruction throughout the grounds causing extreme pandemonium!

# SATURDAY NIGHT CAROUSEL STAGE

## Jarred Benton

This Funk Volume artist is quickly becoming an unstoppable force in the underground music scene. Hailing from Decatur, Georgia he has a machine gun style delivery that is uncanny to say the least. He has hit the music scene running and has only increased his pace since then. From shows to music videos to dropping albums, he has been schooling it to levels seldom seen before and gaining the much deserved attention of our Juggalo family due to pure tenacity and unquestionable talent.

12:30 AM

## Motown Rage

You know who these ninjas be, son! They are the Detroit-based, prior Hatchet House, metal-rap gods who go by the names Razor Ray, 2Def, Sadistic and Frank Hannah. They bring the thunder every time they hit the stage with a musical onslaught of drums, guitar, and mosh pits. They are loud, they are offensive, and they just don't give a fuck...they are the perfect band to bring the chaos to this year's Gathering!

1:30 AM

## Johnny Richter

This California based rapper and ex-Kottonmouth Kings member has been the focus of much debate since he recently started his solo career. Pursuing a campaign of freshness since then he has been continuously touring and putting out those golden laced tracks with that unique JR sound that we have all come to know and love over the years. One of the coolest, most laid back ninjas there is, he transforms into a berserker master killa on the mic when he explodes on the stage during one of his live performances that tend to cause wigs to explode and then implode into a million pieces.

2:30 AM

## SHOCK G Digital Underground

"Alright, stop whatcha doin' 'cuz I'm about to ruin the image and the style that ya used to..." Back in the day, Shock G and his cohorts the Digital Underground (which included a relatively unknown rapper at the time named Tupac Shakur) were the certified motherfuckin' KINGS of party rap music. You couldn't go to a house party or a club without hearing now classic cutz like "Doowhatchalike," "Kiss You Back" and, of course, "The Humpty Dance," rapped by Shock G's big nosed, nasally voiced alter-ego Humpty Hump. No one does a rap party like Shock G/Humpty Hump and now he's bringing the flava to the Gathering, performing all the Digital Underground classics. And if anybody disses you for dancing, tell 'em: Step off! I'm doing the Hump!

# COMEDIANS

# SEMINAR TENT

## Mick Foley

**Wednesday Night: Midnight to 1am**

He's a three-time WWE champion, a hardcore legend and a member of the WWE Hall of Fame. Now, Mick Foley is unleashing the same trademark blend of wit and wisdom, wildness and warmth that made his books so beloved (five self-penned New York Times bestsellers) into his one-man spoken-word stage show, "Tales From Wrestling Past." Drawing from his 28 years of travel, Foley finds humor in the unlikeliest of places – the loss of an ear, the "dedication" of a porn-star working in a knee-brace, a United States President reciting his wrestling catchphrase. Foley himself refers to "Tales From Wrestling Past" as "like being in the ring, without getting hurt" – a welcome distinction coming from a man who gave so much, to so many, for so long. Bang, bang!

**With Opener  
Kegan the Creep Ass**

## Sherrod Small

**Thursday Night: Midnight to 1am**

Comedy seems to run in the family of this Brooklyn raised comedian, seeing that he is the cousin of Chris Rock. He is one of the most successful comedians coming out of NYC and has been on many tours around the globe. You have seen him as a regular of VH1's Best Week Ever, "G4's International Sexy Ladies", AMC's "FilmFakers", "NBC's "Today" show, and "Fox News's Red Eye w/Greg Gutfeld". He has also appeared on the Tough Crowd, Premium Blend, "The Chris Rock Show" and let's not forget to mention "ICP Theater", as well as numerous other, TV, commercial and movie appearances. He is ridiculously funny so make sure to stop by and sit back and enjoy some good ol' side splitting entertainment.

**With Opener  
Seth Brock**

## Gilbert Gottfried

**Friday Night: Midnight to 1am**

Who doesn't love this guy? He is one of the most recognized comedians on the planet and his loud grating voice precedes even himself. We have seen him many times on Saturday Night Live, various comedy roasts, USA Up All Night, Hollywood Squares and most recently "ICP Theater". He has done numerous animated voiceover characters (everything from "The Fairly OddParents" to "Ren and Stimpy") and has appeared in too many movies and TV commercials to mention. He is offensive, vulgar, controversial, and always hilarious. Whatever else you do at the Gathering this year make sure to see this performance. It won't be hard to find...just follow the uncontrollable laughter.

**With Opener  
Davon Magwood**

## Joey Gay

**Saturday Night: Midnight to 1am**

This actor/comedian from Brooklyn is a regular at many of the New York comedy hotspots and has been on many comedy tours across the nation. Besides acting in several big screen movies, he has also appeared on NBC's "Law & Order" numerous times, "Deadline," "Last Comic Standing 4," and most recently "ICP Theater!" He is loud, hilarious, unapologetically offensive, and refers to his style of comedy as.... "the same as my style of dance...doing what is least awkward."

## **Bizarro World** Bizarro Tent / Wed-Fri: Midnight to 4am

This is a strange, spiritually wonderful place that takes a page out of your wildest imaginings. Here the freaks come out at night in abundance, as they perform creative talents that border on the weird, metaphysical and spectacular. This is a place of drum circles, illusionists, tribal dancers, fire breathers, jugglers, slit walkers, fire performers and so much more. There are talents here that are tried and true and others that simply have to be seen to be believed. Come join them if you have something to share, as there is a place for everyone in Bizarro World; whether to perform or simply to enjoy the oddity of it all.

## **Psychopathic Auction** Seminar Tent / Thurs: Noon to 1pm

Find the rarest, never for sale or out of print Psychopathic items at the prestigious Psychopathic Action! All items start at a low bid so here is your chance to walk away with a highly valuable treasure on the cheap. Last year was super crazy to say the least, as ninjas battled it out with fierce tenacity to claim their prize. For it takes someone with true nerves of steel to remain till the very end as the victor. 25% of the total money earned at this year's auction will be donated to Mike Young; a Juggalo currently in need of help. If you wish to donate to his cause go to [www.helpholive.org](http://www.helpholive.org) and type in Mike Young under Find a Patient to donate.
